ACTIVITY DESCRIPTIONS

Sentencing Policy Advice

The Sentencing Guidelines Commission is composed of 24 members who advise state policymakers on sentencing policies for adult felons and juvenile offenders. It monitors and evaluates the effects of the Sentencing Reform Act and the Juvenile Justice Act, and assists judges and others in applying the sentencing guidelines created by these laws. Commission staff maintain a database of sentencing information, and publish annual reports and other studies. Staff also evaluate programs, publish annual reports on judges' individual sentencing practices, and provide guidance to criminal justice professionals to calculate offenders' sentences under applicable laws.
